This week, our school community came together to celebrate Harvest Festival. The children filled the hall with wonderful singing and enthusiasm, making it a joyful occasion for all.

Harvest is a special time to reflect on kindness, generosity and gratitude, and it was lovely to see these values shining through. Thank you to everyone who supported our harvest collection.

Classrooms and corridors continue to be filled with enthusiasm and excitement as the children enjoy the wide range of learning opportunities and experiences on offer. We are looking forward to making the most of our final week together before a well-deserved break for pupils, staff and families alike.

Year 4 Visit Rustington Methodist Church

Year 4 enjoyed a fascinating visit to Rustington Methodist Church this week. During the visit, Minister Rosemaire Clarke explained how the church is used, introduced the children to some of the special items found inside, and shared why the church is an important place for many people. The children impressed everyone with their thoughtful questions and were keen to learn more about what happens in a church and the role it plays in the local community. It was a wonderful opportunity to bring their learning to life.

HARVEST FESTIVAL

This morning we were delighted to welcome Gill, Ann and Roy from St Peter's and St Paul's Church to lead our Harvest Assembly.

Together, we reflected on where our food comes from and took time to give thanks for all that we have.

A huge thank you to everyone who donated food today. Your kindness will help support families at Georgian Gardens as well as others in our local community.
