On Wednesday, Jason and Tom from 'The Philosophy Man' team came to GG to lead each class in workshops. The focus of the day was to support the development of oracy in school. After school, the teachers had training, also on techniques and ideas on how to build opportunities for 'talk' in lessons.

## 23<sup>rd</sup> January 2026

In Y2 We made equal groups using objects, talking about how if we have 1 group of 8, we could also have 8 groups of 1.

Having learnt about the fossilisation process, Year 6 had a go at making their own fossils using play dough, imprinting fossils, and then pouring plaster of paris on top. Once it is set, we'll see what we can find!

Year 6 looked at the process of fossilisation, and represented this using bread (as the layers of the sea) and sweets (as the fossils).
