As we return from the half term break and begin the journey towards the festive season, there is a real sense of excitement around the school.

The children have settled quickly back into their routines and are already demonstrating the resilience, curiosity and enthusiasm that make our school such a special place.

We look forward to a busy and rewarding half term filled with learning, celebrations and opportunities for every child to shine.

Friday 13th November is Children in Need

Children should come to school in their usual school uniform but are encouraged to add something spotty to support the occasion. We kindly ask for a donation (suggestion £1), which will be collected in school and donated to this worthwhile cause.

Thank you for your support.

OPAL (Outdoor Play and Learning) provision

The children were incredibly excited to explore our new OPAL play areas this week. New additions include a Digging Zone, Allotment Area, Woodland Café, Arts and Crafts Area and Story Circle, all designed to encourage creativity, imagination, collaboration and outdoor learning through play.

To make the most of these fantastic opportunities, children will need a named pair of wellies in school. These will be stored safely in a designated area and will enable children to access all the OPAL areas throughout the year, whatever the weather.

A few reminders please…

We value the positive relationships we have with our families and welcome parents' questions and concerns. We ask that all communication with staff remains respectful and courteous.

Unacceptable behaviour towards staff—including abusive, threatening or intimidating language or conduct—will not be tolerated.
Where this occurs, the school will take appropriate steps to protect staff and address the behaviour.

Thank you for treating our staff with the respect they deserve.

We would like to remind families that children should not wear make-up to school. This includes items such as foundation, mascara, eyeliner, eyeshadow, lipstick and nail polish.

The Crafty Angels and the team tirelessly create knitted/sewn items for those in the community.

Recently, some of the volunteers kindly knitted the main characters from the Nativity so our children have a more hands-on experience when learning more about the Christmas story.

Many thanks to Mrs Leggett, Jan and Margaret.

Year 1 have been learning all about the human body!
The children enjoyed working together to draw around each other and label different parts of the body. We also explored our five senses and took part in a fun taste-testing activity. The children sampled different foods and used their taste buds to identify whether they were sweet, salty, sour or bitter.
A fantastic hands-on way to learn about our bodies and how our senses help us explore the world around us!

Friends of Angmering Station have been allocated two display boards on the westbound platform and have kindly used them to showcase the wonderful work produced by the Georgian Gardens Art Club during the past half term.

The display features a selection of the children's artwork and celebrates their creativity, enthusiasm and developing artistic skills.
It is a fantastic opportunity for our young artists to share their work with the wider community, and we are incredibly proud to see their achievements displayed for local residents and visitors travelling through the station to enjoy.

We would like to thank Friends of Angmering Station for supporting our pupils and helping to celebrate their talents in such a public and meaningful way.

OPAL

We are creating a wellie storage area for each year group.

If you have any spare children's wellies, that your children have outgrown – please could these be donated to the school, via the front office,
so that we can label them up and use them as spares.

Thank you!
