

Tonight's the night! It has been a week of uncertainties but we are over the moon that the fireworks can go ahead. The gates open at 5:30pm and the display will be at 6:30pm As always, while you wait there will be stall selling sweets, candy floss, glow sticks, hot drinks, a BBQ and more. Bring plenty of £1 and 50p coins to be avoid the need for too much change. The BBQ will have a card machine. All of this will not have been possible without the hard work of many people most ably led by Kelly-Ann Monnery. Thank you to every single person who has had a role in making the event a success.

#### Fireworks Event:

We are especially grateful to our sponsors. Their generous donations have made all the difference to our fundraising work. 'Store Property', who own much of Rustington shopping centre, Euphoria Kitchens, Citrine Rose Therapies and an anonymous donor.

The Lions have kindly sponsored the purchase of two urns with which we can make hot drinks outside. No doubt you will experience the benefit of those this evening.

Thank you to all of our sponsors.

### Sports News:

Wednesday afternoon Isaak, Layton, Teddy, Eli and Freya competed in the Southern Area Basketball Finals. With schools from Worthing, Henfield and Storrington (to name a few) Georgian Gardens got off to a good start with a win in their first game. Competition grew stronger as the tournament went, but so did our GG team! Coming 3rd in their group round this placed GG in the 5th and 6th playoff. GG played an amazing game and won 8 - 2 placing them 5th overall. A fantastic result. Well done to the above children!

### Easy fundraising:

The run up to Christmas is the best time to remind you that you can donate money to school without spending any extra money. Visit your favourite online shop via the Easy Fundraising site and they donate money to us.

**Poppy Sales:** Poppies will be sold in school during next week. Please send your child to school with some money (at least 50p please) should you wish them to purchase one.

### Please Note:

There have been a lot of arguments in school between children over their 'Prime' bottles. As a result, we ask that no child brings their water to school in a 'Prime' bottle. Thank you.

### **Year 5 Lunar Rocks:**

This week, year five had an out of world experience. Thanks to a loan from NASA they had the opportunity to view and handle a selection of rocks from the moon and space.

Between 1969 and 1972, six manned Apollo missions successfully landed on the Moon, allowing the astronauts to collect samples

and bring them back to Earth. Some of these samples have been preserved in acrylic disks and along with a range of meteorites, tektites and fossils, year five have had the privilege of handling and working with them using magnetic probes,

magnifying glasses and flow charts to help classify the rocks.

### **Year 4 Quidditch:**

As part of this term's work on Harry Potter, the children in Y4 have spent the week learning all about the game of quidditch.

They have written detailed information leaflets about the game and then had the chance to play it themselves. It was a fun and energetic afternoon requiring a great amount of team work.

The overall winners were 'Ravenclaw'.
