Newsletter Friday 12th January 2024

Well, the snow on Monday was a treat! Most of our children won't remember seeing it before so it was great that many of the classes took the opportunity to have an extra break to experience being outside as the flakes fell! The choir have been busy rehearsing for their trip to London next Friday to take part in the annual 'Young Voices' concert—they have had to learn a great number of songs and if their practice sessions are anything to go by, they will be sounding amazing at the O2. We look forward to hearing all about their adventures.

****Please, no nuts or items containing nuts in school—we have some children with severe allergies. Thank you for your co-operation with this.****

Driving in the car park:

We are becoming increasingly concerned about some of the driving habits seen in the car park when parents are dropping off for early clubs or The Hive. We have had a few near-misses with drivers speeding around corners and almost hitting other cars and, sometimes, pedestrians. It is permissible to drive into school up until about 8:05am but please take care. Remember to apply for a renewal of your parking permit for this term should you feel you still require it.

Writing Competition Success:

Year 4 children recently took part in a competition organised by ‘Young Writers’. The children were invited to write a short story about ‘crazy creatures’. The many of the stories have been chosen to be included in a book which is to be published later in the spring—what an amazing opportunity! All children received a certificate to congratulate them on their excellent writing. This photo shows just a selection of our soon-to-be-published writers!

Seesaw: If your child has homework set on ‘Seesaw’ but you are in need of an updated log in code, please do email Mrs Trahern who will send it to you. ptrahern@georgiangardens.co.uk

Sports News:

On Monday some children took part in the finals of the Year 3/4 Basketball. This was the Southern Area Final with Schools from different localities, some as far away as Henfield!

In our group we played Chesswood, St Peter's, Lyminter and Storrington. As each game went along we scored more and more goals and at the end of the group stage we had won three of the games and drew the other. This placed us as the winner of the group!

Next we had to play the runners up of the other group, another St Peter's team. We played so well, scoring some fabulous goals! We won this game too! This placed us into the final. Thomas the Becket were the opponents (always very strong competitors). We worked so hard and never gave up. Thomas the Becket were just too strong for us on this occasion but what a fantastic result. A big congratulations to those who took part!

New Georgian Gardens project. **CAN YOU HELP?**

We are looking to become a Science, Technology, Engineering, Arts and Mathematics (STEAM) lead school.

The aim is to make the centre garden (Quad) into a focal point for this. We want lots and lots of opportunities for children to explore and discover STEAM activities in a practical and collaborative way.

If you can offer any of the following then we need to hear from you.

Materials, funding, donations, expertise or time.

Email: cansell@georgiangardens.co.uk

Please leave your name and what you think you can offer to the school.

Thank You
