Dear Families,

We are coming to the end of another fantastic year at Georgian Gardens and I would like to say a sincere well done to all the pupils and staff for making this another great year at the school. I am constantly astounded by the additional work that staff are willing to put in to ensure that the pupils in our school are given the very best opportunities. Just one small example is the outstanding performance that the Year 6 team have worked so hard to put on this week. A real five star performance from all involved.

The end of the academic year is always a time of reflection and planning for next year. I would like to thank all of you who completed the parent survey over the last few weeks. Your input has been valuable as we map out our key priorities for next year. It is also great to hear of the wonderful support that exists for the school. We will share more about our development plans and new ventures in autumn term.

We are delighted that there is going to be a significant number of new developments being completed at the school over the summer holiday. Most excitingly phase one of our new STEAM centre in the quad is going to be completed. The uneven path at the front of the school is also being replaced alongside other essential works throughout the school.

As we approach the very end of term (don't forget we are still open to all pupils on Monday and Tuesday!) I would like to extend my thanks to everyone who has helped to make the year a success: staff, volunteers, Governors, PTA, parents and of course pupils to name but a few! Good luck to our staff and pupils who are off to ventures new including Mrs Roberts, Mrs Christmas and Miss Harnett and Year 6. We will miss you!

Have a wonderful safe summer when it arrives and we look forward to seeing you all in September.

Miss Bowers
